Authentic Human Connection

ACCREDITED TRAINING

► Are you looking to cultivate greater connectivity, collaboration, and community impact?

Engaging training rooted in sector-leading research

Peer learning to draw out internal expertise and embed learning in practice

Impact measurement to help people truly belong, contribute and thrive

“ The trainers delivered in a powerful and invigorating way. At the end of the day, I truly felt that the room was more connected than they have been in years. It will be a great foundation for us to build on as a team as we look to develop our community development vision and strategy for future.”

Jenny, RAF Chief Community Development Officer
